ATWOOD

Wants to tell you about today, treasured tale from English, that means Knee Pant Suits for Boys, 4 to 15 years of age—this isn't a one-talent Day Goods announcement. "Military Prince," he's a Double Show Boy, destined to overthrow with artistic "small clothes."

The KNEE PANT & CO. make are getting the preference "by a large majority," simply because they deserve it. Guarantee that suits you and your boys will bring you back to trade again. It's surprising how many unpatronized yet available advantages we have to and about this city. Dept. you'll bring your boys in and try on our Corduroy Pants, Coat and Vest style of Knee Pant Suits—the kids are "dead in love" with them this spring.

The Boy Silks are "selling head" for the K. P. S. (15).

Spring Overcoats

These mild, days-wholesale clothiers, fellow-suffering regal clothiers, merchant tailors' sons, and other knowing ones who understand the points of a good garment—they're extremely prominent among our customers this season. WHY?
